To the Voters of Oregon's Fourth Congressional District:

I am proud to endorse fellow former Air Force Officer, retired Colonel Monique DeSpain, to go to Washington, D.C., to represent Oregon's Fourth Congressional District. Monique is a very compelling candidate who brings excellent qualifications, the right principles, and a warrior spirit that will serve us well in our nation's capital. As I did years ago, she is rising to the occasion to once again serve her country by taking up this important fight for our nation's future in Congress. I am pleased to offer my wholehearted support to my fellow Oregon Air National Guard 142nd Fighter Wing Redhawk and urge Oregonians from every walk of life to support her as well.

Sincerely,

Denny Smith
